Principles:

Equity is a much more qualitative issue than equality. Ultimately, equity means fairness. Equity in sport means ensuring that everyone is treated fairly, justly and with respect, and acting in a way that ensures everyone who wants to take part in sport has the opportunity to do so. Positive environments created by sports organisations such as Clydesdale Cricket Club enable individuals to make the choice to take up the opportunity to participate in sport. This Policy is based on the following principles:

- Equity for all children is the primary concern.
- All children, whatever their age, culture, disability, gender, language, racial origin, socio-economic status, religious belief and/or sexual identity have the right to equal opportunities to participate in cricket and/or hockey through Clydesdale Cricket Club.
- All children, whatever their age, culture, disability, gender, language, racial origin, socio-economic status, religious belief and/or sexual identity have the right to be treated equitably.
- All incidents of alleged poor practice, misconduct and a lack of equity will be taken seriously and responded to swiftly and appropriately. The designated Club Equity Officer until further notice, to whom all incidents should be reported immediately, will be:

David Hart

Review:

This Policy will be regularly monitored and reviewed:

- In accordance with changes in legislation and guidance on club equity or any changes within Clydesdale Cricket Club.
- Following any issues or concerns raised about equity within the Club.

In all other circumstances, at least annually.
